

Now that Jesus lives in you, let Him express Himself through you.

Mobilising Believers for Action

Dear Co-labourer

About two weeks ago, the Lord said to me "My voice will go all around the World", then He added, "and it will be your voice".

When you accepted the person of Jesus Christ into your life, you accepted Him in spirit form. You accepted everything that He is. You accepted His righteousness, His health, His wisdom, His prosperity, His joy, His power, you also accepted His mission to reconcile people back to God.

"I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the *life* which I now live in the flesh I live by faith in the Son of God, who loved me and gave Himself for me"
(Galatians 2:20 NKJV).

Now that Jesus lives in you, He wants you to become His expression in the earth. He needs your hands to lift up the weary, and feed the hungry. He needs your feet to reach the unreached. He needs your voice to tell of the "Good New". His plan is to express Himself through you.

"We are Christ's ambassadors, and God is using us to speak to you. We urge you, as though Christ himself were here pleading with you, "Be reconciled to God!" For God made Christ, who never sinned, to be the offering for our sin, so that we could be made right with God through Christ" (2 Corinthians 5:20-21 NLT).

Our God and Father greatly desires people everywhere to be saved, but He needs to use your voice.

Outreach Tip

Cultivate an intimate relationship with the Lord, and then take every opportunity to share your life with family, friends, neighbours and work colleagues. Tell them about your relationship with God, and your experiences with Him. This will open them up to thoughts about God, and then they'll begin to want more of Him. They'll begin to ask you loads of questions whenever they see you. This will give you the opportunity to tell them about how Jesus died for their sins, and ask them if they would like to receive forgiveness, and accept Him as their Lord and saviour.

Outreach Resources

You can download some of the very best 'good news' tracts from our website, print them, and give them out where ever you go.
