

The harvest is ripe, but where are the labourers?

Mobilising Believers for Action

Dear Co-labourer

The Lord woke me up this morning, and placed these words on my heart. *"The time has come, and it is NOW. The gospel must be preached to all the world then the end will come"* (Matthew 24:14).

We are seeing compounding effect of Adam's sin all around us. Sin is having it's toll on people, society, and even nature (Romans 8:18-21). First it was September 11, then the Tsunami, then Hurricane Katrina. What will it be next? The harvest is ripe!

"Now learn a lesson from the fig tree. When its buds become tender and its leaves begin to sprout, you know without being told that summer is near. Just so, when you see the events I've described beginning to happen, you can know his return is very near, right at the door". (Matthew 24:32-33 NLT)

The harvest is ripe but where are the labourers?

"Do you not say, 'There are still four months and then comes the harvest'? Behold, I say to you, lift up your eyes and look at the fields, for they are already white for harvest!" (John 4:35).

Outreach Tip

One way of getting involved in the harvest is to pray. Ask God to give you His desire to reach the lost and win them for Christ. Ask Him to give you ideas on how to reach out to your family, friends, work mates, and neighbours. Ask Him to release believers from your church into the harvest fields of your community. Ask Him to release labourers into the harvest fields of the World (Luke 10:2).
